Reversion of Grant Funds: Grantee will return to Grantor any unexpended funds at the close of the grant period. Funds also shall be promptly returned if Grantor determines that Grantee has not performed in accordance with the terms of this Grant Agreement and the approved program and budget.

Guidelines for Reports to Grantor:

Progress reports are designed to provide periodic assessments of activities being supported by Grantor. They should be submitted on a quarterly basis, or, in the case of travel grants, on a schedule agreed between grantor and grantee, and should include the following information:

- A summary of receipts and expenditures. Each report shall provide an itemized statement of costs incurred by Grantee in performance of this agreement. Reports on other functions performed under this agreement shall be submitted from time to time and in a form satisfactory to Grantor.
- A description of work conducted by Grantee during the reporting period in pursuit of the general objectives set forth in the grant proposal.
- Grantee shall keep records satisfactory to Grantor related to performance of this agreement. Grantee shall make all books, ledgers, accounts, files, computer records, and personnel involved in performing functions under this contract available to Grantor or its designated representatives, auditors, or legal counsel to determine compliance with the terms of the contract and applicable law. For travel grants, this bulleted point pertains only to travel expenses to be covered by the award.
- A final report shall be due at the completion of the Grantee's project, even if the project is finished less than a quarter after the last quarterly written report.

Grantee agrees to defend and hold harmless Grantor and its officers, employees, and volunteers from and against any claim, including the expenses of investigation and defense of such claim, arising out of or in any way connected with this Grant or the expenditure of grant funds.

Grantee agrees to comply with Executive Order 13224 of September 23, 2001 Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism; and with Federal law, embargoes and trade sanctions regulating international transactions, unless a court of competent jurisdiction has adjudged such prohibitions invalid.

Grantee warrants and represents that as of the date of application through the term of the grant award, none of the following is a country, territory, individual or entity named on the OFAC lists of Sanctioned Countries or Specially Designated Nationals: Grantee; any person or entity controlling or controlled by
